A STUNNING TURN-AROUND

Hodgson wins easily

NDP blanked,
Field earns
6 per cent
of vote

Victoria-Haliburton's new MPP was the focus of media attention following his impressive win Thursday.

Buoyed by tremendous support from Haliburton County, the Conservatives pulled off the impossible.

In the span of one month, Conservative Chris Hodgson turned a 16 point lag in the polls into a 10 per cent margin of victory.

What's equally amazing is that the victory is not based on lavish promises from the candidate. Hodgson promised only to work as part Mike Harris' PC team to rebuild Ontario's economy through cuts to taxes and bureaucratic red tape.

Hodgson captured 51 per cent of the vote in the March 17 provincial by-election for Victoria-Haliburton, outpacing Liberal candidate Sharon McCrae, who earned 41 per cent.

And while Hodgson enjoyed a lead throughout the riding, the support from Haliburton County voters was particularly impressive. Conservative support here was more than double the Liberal support, providing a cushion of almost 1,700 votes.

Across the riding, Hodgson won by a 2,368 vote margin.

Province-wide polling done just prior to the campaign showed strong popular support for the Liberals. The poll showed the Liberals had the support of 53 per cent of decided voters to the Tory's 27 per cent and the New Democrats' 14 per cent.

The most crushing blow in this election is the lack of support for the New Democrats. This represents the fifth by-

election loss since the party took power three years ago. And by far, it is the most insulting.

NDP candidate Art Field picked up just 1,413 votes, which represents 6 per cent support.

"This should send a clear message to Premier Bob Rae that his policies are unpopular," Hodgson said after the counting was done Thursday. He thanked his supporters and campaign team for helping to send such a powerful message.

It's a message that Rae is bound to hear. Following the count, the PC campaign headquarters became the site for a media feeding frenzy. Local, regional and provincial media were all present in the crammed banquet hall above Lindsay's Olympia Restaurant. The spotlight was on Hodgson and McCrae and both took the opportunity to make hay with the NDP numbers.

McCrae refused to offer an analysis

Haliburton
support
provides the
cushion

of what the loss means to the Liberals, but she said it should mean a great deal to the New Democrats. She said the dismal NDP support clearly shows that Ontario is not pleased with the approach this government has taken.

The riding has been watched closely by all parties, which view this as a bellwether for next year's provincial election.

Hodgson said his victory demonstrates that people want change. He said the results are a strong indication that the Conservatives can win the general election.

The win inflates the Conservatives' strength at Queen's Park to 22 members. The NDP holds 69 seats while the Liberals have 35 and independents 4.

McCrae, who was the only candidate in this six-person field to visit the PC headquarters, congratulated Hodgson for the win. She said he ran a very strong campaign and she urged him to promote this riding's tourism potential.

"I hope he takes the opportunity to put Victoria-Haliburton on the map." Much of this riding relies on tourism for its wealth, she said.

The other three candidates in this election were not a factor in the results. Libertarian candidate Ron Hawkrigg received 249 votes, while independent candidate Brad Bradamore picked up 219 and Abolitionist candidate John Tremel received 123 votes. Their combined support represents less than 3 per cent of the vote.

County Cuts \$100,000 Tax increase stands at 14.9 per cent

Haliburton County Council made two late cuts last week to bring its tax increase down below 15 per cent.

The Chamber of Commerce will not be getting the increase it had hoped for and the County Roads Department will not be building equipment reserves this year.

County Council gave final approval to its 1994 budget on Wednesday. The new budget represents a 14.9 per cent hike in the county levy.

The budget is the end result of a month of deliberations, which brought about some severe cuts. At the outset of the process, it looked as though a 30 per cent increase was in store for the county, but councillors shaved considerably to bring this down.

Two weeks ago, the county held a meeting to invite public input. At that time, the increase had been trimmed to just under 19 per cent.

County Council considers cutting Deputy Reeves

In an effort to save money and streamline the decision-making process, Haliburton County Council will consider cutting its membership back to 10.

A notice of motion was made last Wednesday, providing councillors with time to collect their thoughts on the matter before the issue comes up for discussion at the next meeting.

County Council is currently made up of 16 members, representing 10 municipalities. All municipal Reeves are represented, as are the Deputy Reeves of Dysart, Minden, Stanhope, Glamorgan, Lutterworth and Sherbourne Townships.

The motion calls for Deputy Reeves to be cut from council. It also provides for weighted votes for the larger townships.

The motion also calls for full participation from councillors on all committees.

Clerk-Treasurer Terry Noble will be collecting information from other counties that have similar county structures. He will provide councillors with a report prior to the next meeting.

Icing on the Cake

Tom Prentice tops ice car series

Minden racer Tom Prentice was the overall winner of the Canadian Automobile Sport Club's Ontario Region STP/Prestone Ice Race Championship.

Prentice clinched the provincial championship by amassing a total of 550 points over the seven-week Ice Race series in Minden. The point totals for the top six weekends are tallied for each racer. That allows everybody to miss one event or suffer a serious equipment breakdown at one event without affecting his or her points total.

This was the first time in 17 years of ice racing that Prentice has won the overall provincial championship. He has won his class several times and finished second and third many times over the years.

"I'm pretty pleased," he said.

The racers had five runs each weekend from January 22 and 23 to February 26 and 27 — three on the Saturdays and two on Sundays. The first race on Saturday mornings was to determine the starting positions for the rest of the weekend. The other four races counted in the points totals.

Drivers were awarded 25 points for a first place finish, 22 for second, 19 for third and on down the line.

The Minden native raced in Class 4, for rear engine, rear wheel drive cars with engines up to 3000 cubic centimetres displacement. He raced a 1300 cc Skoda.

Prentice says that local interest in ice racing is picking up. He adds that the sport is not expensive. For most classes, all that is required (besides a car) is a valid driver's licence and basic safety equipment such as an approved helmet.

It is possible to spend as little as \$500 a season, including the car, fuel and entry fees.

There are no cash prizes. Drivers compete for trophies only. A banquet rounds out the year's events at the end of the season.

As Prentice explained: "If somebody came along and offered \$10,000 for prize money, they (race officials) would say no thanks. They don't want to give anybody the incentive to spend a lot of money on their cars."

FINAL STANDINGS

Results of the various classes are as follows:

Class 1 (front engine, rear wheel drive, to 3000 cc) First, Ken Shaw; second, Ian Law; third, Mark Schill.

Class 2 - No entrants.

Class 3 (special,

modified and four-wheel-drive, to 3000 cc) First, Stephen Martin; second, Mike Elder of Minden; third, Bob Donnolly.

Class 4 (rear engine, rear wheel drive, to 3000 cc) First, Tom Prentice

The Walk

Possibly one of the most difficult elements of an election campaign in Victoria-Haliburton is The Walk. Traditionally, the losing candidates walk from their campaign headquarters in Lindsay to offer congratulations to the winner. Last Thursday, Liberal candidate Sharon McCrae was the only one of the five losing candidates to keep up the tradition. She congratulated Conservative candidate Chris Hodgson for the hard-fought win and urged him to provide the strong representation at Queen's Park that this riding will need to get back on its feet. The candidates who didn't show up include new Democrat Art Field, independent Brad Bradamore, Abolitionist John Tremel and Libertarian Ron Hawkrigg. Hodgson took 51 per cent of the vote Thursday to McCrae's 41 per cent. The other four candidates combined, accounted for the remaining eight per cent.

Roads reserves used to offset budget costs

(from page 1)

Last Wednesday, council reluctantly agreed to trim another \$100,000 out of a roads department reserve fund, which brought the increase down to the 14.9 per cent figure. Councillors also agreed that this is not the time to provide increased funding to the Chamber of Commerce.

The Chamber was asking for a substantial increase in its grant, but council decided to hold the line at last year's level of \$50,420.

The decision to cut the roads capital equipment fund was met with mixed feelings from councillors. Some argued that such reserves are essential to cushion the blow when it comes time to replace high-ticket items. Others argued that this is a poor time to be building reserves.

This will be the third straight year the roads equipment fund has been drained. For the past two years, the fund was used to offset the department's overspending, said councillor Eleanor Harrison. She said the equipment fund was the roads department's "ace in the hole." Now, she says, "There's no reserves . . . no backup, and now we're spending the last reserve?"

Lewis Stevens who chairs the Roads Committee argued against this cut. He noted that \$140,000 was pulled from various reserves last year and said this cut will not help things. "If we don't have the reserves, we are not going to be a viable entity as a county."

Councillor Bern Berry, who was the only voice against last year's draw from

the reserves, reiterated his objections. "Last year you said 'don't worry, we'll put it back.' Now I'm hearing it'll get better in '95." He said this is going to hurt. "We can't keep on robbing Peter to pay Paul." If this keeps up, he said "we're not going to have a county."

"We have a county here that is slowly drowning," said Councillor George Simmons. He said \$100,000 represents about \$5 on the tax bill and argued that this is not too much to ask. "It's important for this county to survive."

Councillor Keith Tallman said all the decision will mean is that the county will have to make its equipment last for one more year. He said most municipalities replace their equipment every 10 years while this county replaces it every eight years.

"We can afford to hold off on capital purchases for one year," said councillor Ross Rabjohn. He said the department has bought a lot of new equipment over the past two years and the fleet is in good shape.

When County Engineer Dave Valentine was asked for his comments, he said: "I have a little dog. I can tell her I can't afford dog food this year and you're going to have to eat your tail . . . I don't know if it's going to work."

When the budget was put to a vote, it was approved by a margin of 10 to 8.

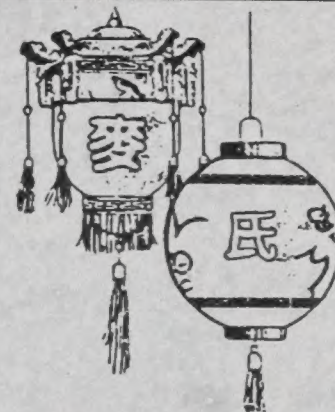

Other notable cuts in this year's budget include the dismantling of the county's Planning, Waste Management and Economic Development departments.

Green theme for WI meeting

by Jeanne Sears

The Common Room at the Library/Cultural Centre had a St. Patrick's Day decor for the March 16 meeting of the Minden Women's Institute with Jean Lacey presiding. She welcomed the fifteen members answering the roll call of provincial flowers with most telling something about each flower.

Irene Moore reported sending ten cards since the last meeting and collections were taken for the card fund and pennies for friendship. Get well cards were signed and sent to our absentee members Mary Wilson and Maud Coulter. Details from the Victoria East District meeting were given by director Jeanne Sears.

A letter is to be sent regarding this Branch's support of the Nature Walk through the swamp area near the museum building and this was suggested by Gwen Cox.

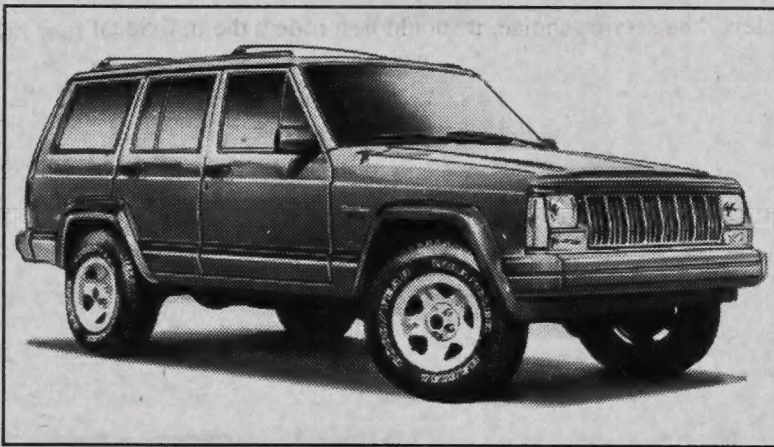

Bea Berry, convenor, showed a video about Learning Disabilities and this was very explicit showing the problems some youngsters have in learning basic skills. The video showed how counsellors help parents understand and deal with these problems. We must realize that these children can be taught to adjust and to cope and that they must work much harder than most to reach their goals and that there are people out there who are ready to help these young people.

Jean Lacey thanked Bea for such a great video - we all learned from this.

The group also answered questions on a St. Patrick's Day quiz posed by Jean Lacey.

After adjournment Jeanne Sears showed how dust mits may be finished and also some plastic needlepoint with patterns. A social half hour followed with snacks served by the committee. Next month will be the annual meeting on Wednesday, April 20 at 2 p.m. at the Library/Cultural Centre with all interested ladies welcome.

Although he has 29 years of fire service and a 25-year provincial service pin, Stanhope Fire Chief Bob Nangle last week received federal recognition for 20 years of public service. Chief Nangle accepted the Fire Service Exemplary Service Medal from Fire Service Advisors Dave Carr and Wayne McIsaac of the Fire Marshal's Office. Stanhope Reeve Fred Gardner presented Nangle with a certificate from Governor-General Ray Hnatyshyn. Due to Nangle's poor health, the awards were made at a small surprise reception at his Boshkung Lake home. Nangle said he was honoured to have received recognition. After several years with the Chingacousy Fire Department (now Brampton), Nangle joined the Stanhope crew in 1974 as a firefighter. In 1980, he became Deputy Chief and stepped into the top job in 1983.

Barry Devolin to address Reform Party meeting

The Victoria-Haliburton Reform Party is holding its annual meeting this Thursday at the Lindsay Library Auditorium at 7:30 p.m.

Barry Devolin, who represented the riding in the last federal election, will be the guest speaker. Devolin is now working in a senior position at the party headquarters in Ottawa. He is heading up the Policy and Research Department, which is re-

sponsible for supplying background materials to all of the sitting members in the House.

The agenda for Thursday's meeting also includes the election of the association's board of directors for the coming year and ratification of a constitution that has been designed to provide consistent administration of all of the party's riding associations. Policy development submis-

sions, that may be submitted for inclusion in deliberations at the party's assembly next October, will also be discussed.

For further information, contact the constituency office at 705-878-1785.

Fish huts must soon go

Ice hut owners in this area will soon have to remove the huts from the lakes. The deadline for clearing the ice of those winter retreats is March 31.

Anyone who hasn't removed a hut by the deadline faces hefty fines as well as confiscation of the hut.

Four people in the Midhurst area were fined \$505 each and had their huts permanently seized last year.

Removal of ice huts in this area has never been a problem, according to Stan Flemming of the Minden Ministry of Natural Resources office.

"It shouldn't be a problem this year," Flemming said. "Conditions are really good for moving around on the ice. Our lakes are in excellent shape."

Flemming says there is still "a good foot and a half of good blue ice."

He adds: "Conditions are really good for pulling off ice huts. It's normally not a big problem. People are generally reasonably co-operative in getting their huts off by the end of the month."

The real winners

Who are the real winners in last Thursday's provincial by-election for Victoria Haliburton?

The Conservatives garnered the most votes, making Chris Hodgson the MPP for this riding. The common attitude, then is that he is the winner.

While Hodgson and the Conservatives certainly feel as though they have won, the real winners (or losers) in any election have to be the people of the riding. The constituents have just elected a person to represent their interests in a system that is heavily weighted in favour of serving the needs of urban Ontario. In order for their needs to be met, they must have a member who is willing and able to stand up to the overwhelming urban majority in Queen's Park and make everyone understand the importance of rural Ontario.

Victoria-Haliburton now has that member in Chris Hodgson. Not only is he a persuasive voice, but he also has a clear understanding of what makes this riding tick. In particular, he understands the unique challenges that face Haliburton County.

From the outset, the Lindsay media attempted to turn this election into a Victoria versus Haliburton battle. The implication was that Victoria County voters would not be well served by a Haliburton County candidate.

Hodgson campaigned hard in the Lindsay area, demonstrating that he was not just a Haliburton County candidate. He responded intelligently to every issue and never shied away from the hard realities of a stagnant economy. He didn't try to buy votes with lavish spending promises. Instead, he offered a pragmatic approach to correcting the problems of this riding and those of the province as a whole.

Ultimately, voters in Victoria County agreed with his philosophy. And while his focus on winning Victoria County necessitated a low profile in the north, Haliburton County voters still came out in force to support a candidate they knew has the ability to appreciate their interests.

Hodgson is the person who will be going to Queen's Park, but the constituents are the real winners in this campaign. In essence, Hodgson is their employee. We are confident the people of Victoria and Haliburton have done a good job in hiring a person to represent all parts of this riding.

Info chair missed the point

Editor

Mr. W. M. Thomas, we are not asking to expand or spend more money. You did not address Ms. McAfee's questions and what information was inaccurate? Who would not blame our county council for the financial trouble we have? The poorest county in Ontario.

Now, answer these questions. We service 57 per cent of the population out of Minden and 43 per cent out of Dysart. How come our Info Centre is open one day a week and you have five? We have one staff person who comes from Dysart and you have three, except on Tuesdays. Why is your office more important than Minden's? I don't expect we would have an office at all only for you

to pick up papers and take to your office. I know Mrs. McAfee was two weeks getting her papers done, after much discussion and I understand they were brought to her on March 16. Glad your staff and volunteers are doing so well. Treat Minden the same way and we will be happy.

You take a count of the peo-

ple within our village limits working in that area and see how many pay property taxes in Minden, Anson or Hindon. You might just find more from out of town than in and this is fair co-operation.

Worth the drive to Haliburton?

Editor,

I'd like to inform Walter Thomas (chairman of the Haliburton County Information Centre) the information in my letter to The Times came from a very reliable source.

In his long reply, the impres-

sion is to be satisfied with having your income tax forms fill in.

No further questions.

So seniors, you can look forward to taking your drivers' test in the Haliburton hills.

Ladies request walking trail

Editor,

On behalf of the members of the Minden Women's Institute, we are in favour of the Townships of Anson, Hindon and Minden constructing a walking and ski trail through the township property behind the cultural centre buildings.

This recreation is a very healthful exercise as a necessary requirement for all ages as well as a tourist attraction.

You immediate action to expedite this request will be very much appreciated.

Mary Cox
Secretary

Haliburton County.

4-H has been around for many years. It has not been as well known in Haliburton, but has had loyal followers all across the country for a long time. We, the leaders and kids of 4-H are now trying to bring this organization to the rest of Haliburton County in the hopes that more people will become members, leaders and helpers.

4-H is a program that has roots in Canada as far back as 1913 in Roland, Manitoba. Back then, potato, livestock, sewing, foods and gardening clubs were formed for young people and were known as Boys and Girls Clubs. The name 4-H Club came into being in the early 1950s.

The basic philosophy of 4-H is to help with mental, emotional, social and physical development of young people.

The green four-leaf clover is Canada's official 4-H emblem. The H stands for head, heart, hands and health.

The motto is "learn to do by doing". The members learn by listening, studying and seeing, but mostly by doing. Leaders and parents help but the members practise the skills taught. Some of the skills developed in 4-H (self confidence, responsibility, leadership and communications) are things

we all need to practise. Members are in complete charge of their own project tasks, participate in meetings and even host or lead club activities.

This is just a general rundown of what 4-H is and where it started. It is open to young people between the ages of 10 and 21 who live in Haliburton County. (There are 4-H Clubs in almost every county in Canada.)

If you would like more information about 4-H, attend our information night on April 14 at 7 p.m. in the Haliburton Execuplex (above Village Donuts and Guardian Drugs) or call Linda Sisson at 754-3036 or Tina Gilligan at 286-4818.

Harris applauds Premier Klein

Editor,

Recently, local supporters of the Ontario Liberal party criticized my support for Alberta Premier Ralph Klein's drive to restore common sense to his province's finances.

I take their attack as a badge of honour. Alberta has launched a courageous reform drive against government waste and mismanagement. An overwhelming number of Canadians applaud and admire that province's efforts.

Unlike the Ontario Liberals, Premier Klein understands that the best way to preserve essential services for our children, our seniors and our disadvantaged citizens is to ensure that every tax dollar spent by government is spent wisely.

To me, it's no surprise that the Ontario Liberal Party is so fearful of Premier Klein and his policies of sound management. After all, the "Lost Decade" of Liberal/NDP rule in Ontario has left our province on the brink of bankruptcy.

It is this legacy of reckless spending and taxation that inspired Chris Hodgson to advance a five-point plan for a return to prosperity for Ontarians. Key to Chris' plan is an assault on government waste, which will ensure that our hard-earned tax dollars are spent wisely on the priority areas of health and education.

It's a plan the Ontario Liberals would be wise to study.

Stereotypes designed for media convenience

Amazing how powerful stereotypes can be. Especially when they're created by the media.

Take your common every day native person. When I was growing up, the native stereotype was the Noble Savage -- a stoic, handsome, somewhat mysterious child of nature typified by Tonto, the Lone Ranger's gofer, and Kaw-liga, the cigar store wooden mannequin.

But no longer. Nowadays, the common TV native stereotype is a thug in aviator sunglasses and army fatigues, with an M-16 in one hand and a sack of contraband smokes in the other.

In terms of reflecting Indians, the image is about as accurate as that of Kaw-liga. It's like putting a spot light on the leader of the Hell's Angels and declaring "There! That's your typical white Anglo-saxon protestant."

Stereotypes make it easier to generalize about people. Hitler knew that. Thus, if you

allow a newspaper photograph or a television image of some nameless Akwasasne drug runner to stand for the native people of Canada, it becomes much easier to write them off as a bunch of shiftless, trouble-making law-breakers.

The truth, as usual, is somewhat more complicated. There are other factors to consider. Such as . . . well, the Grand River, for instance.

It's a dark, brooding ribbon of water that meanders for about 165 miles across the fruited underbelly of southern Ontario. It runs through towns and cities like Fergus, Elora, Kitchener, Cambridge, Brantford and Port Maitland. It also runs by my back door.

It's a lovely river, full of fish and waterfowl and I, along with the several hundred thousand other folks who live along its banks, enjoy it very much.

There's just one tiny prob-

*The Grand River was
given to the Six Nations
Indians . . . For as long
as the grass grows*

*As long as the wind
blows*

*As long as the sun
shines*

*As long as the river

lem.

It's not ours. We're living on stolen land.

The Grand River was given to the Six Nations Indians nearly two centuries ago. It was a reward for their siding with the British against

the Americans. The terms of the gift were quite specific -- poetic, even. The Six Nations Indians were granted the entire river, from source to mouth, and both river banks for six miles inland.

*For as long as the grass
grows*

*As long as the wind blows
As long as the sun shines
As long as the river winds*

The Indians, poor saps, probably thought that just because we said it, we actually meant it.

Hadn't heard of lawyers, I guess.

Oh, I'm sure in some dank Ottawa back room there's a

yellowing scrap of parchment with some shaky S's on it that indicate the Indians changed their mind and gave the river lands back to us. I'm doubly sure the piece of parchment would stand up in a court of law, but what was it Bob Dylan sang?

Some people rob you with

a fountain pen.

Applies to quill pens too.

We didn't even trouble to rename most of the geography we stole from the Indians. Manitoba is an Indian word. So is Saskatchewan and Yukon and Winnipeg and Toronto -- heck, "Canada" come from the Iroquois word ken-a-tah, which means "a collection of huts."

Quebec? An Algonquin word for "where the water narrows".

Saskatoon? From the Cree, meaning "berries from a shadblow".

Oshawa? A Seneca word that means "crossing a stream".

Ontario? From the Huron "Ouitario", meaning "beautiful sparkling water".

And my favourite: Chicago.

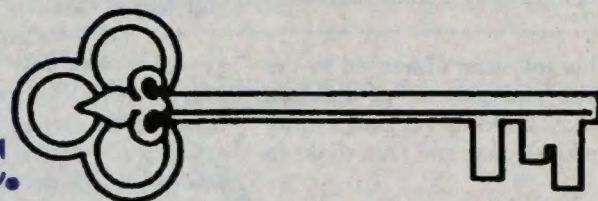

In the Miami tongue this means "the place of skunks".

Under the circumstances, you'd think the Indians might have reserved that word for Europe.

Ice fishing derby draws 166 for \$2500 top prize

by Jerry Grozelle

Twelve Mile Lake, out from the Red Umbrella Inn just south of Carnarvon, was a busy place on March 12. The attraction was the lake trout fishing derby, sponsored by Minden Live Bait and Tackle.

A total of 166 anglers of all ages paid their \$50 entry fee in hopes of taking home a share of more than \$5,000 in cash and merchandise prizes.

The derby got under way with a shotgun start at 10:00 a.m. and the bell sounded to end the fishing five and a half hours later, at 3:30 p.m.

Glenn Bird was the big winner. He caught a laker that tipped the scales at five pounds two ounces. That one fish earned him the \$2,500 first prize.

In addition to the cash prize, the big fish of the day was supposed to be mounted courtesy of Fish, Fur and Game Taxidermy of Haliburton. Bird caught the fish early in the day and not expecting it to be the biggest fish of the derby, he allowed MNR officials to take the head to be used for research. *The Times* hasn't been able to confirm the rumour that the headless fish may be mounted anyway, with an inscription indicating that it was a \$2,500 lake trout.

Competitors were allowed to weigh in two fish, the legal daily limit.

One angler caught two fish that he thought would be too small to win anything so he let them go without having them recorded at the weigh station. As it turns out, those two fish would have bettered the second place entry, so the angler tossed back \$500 worth of fish.

Colin Wilson was happy about the situation though. His trout, which tipped the scales at a modest one pound, gave him a \$500 return for his \$50 entry fee.

Steve Rickett of Orton also benefited from the release of those two fish. He was the third place winner of \$350 with a trout that weighed seven-eighths of a pound.

The fourth to 15th place entries earned their captors \$50 apiece. The anglers who got their entry fee back were: Lloyd Ackerblade of Minden, Tommy Bagshaw Jr. of Minden, Bob Bird of Haliburton, Norman Chartbrand of Oshawa, Bob Dudman of Minden, Norm Graham of Minden, Bryan Jackson of Minden, Alvin Miscio of Minden, Gus Mount of Minden, Gary Patterson of Young's Point, Tim Prentice of Cobocok and George Pettes of Minden.

Besides the cash prizes, there were four random draw prizes.

Keith Casey of Minden won a Jiffy power ice auger. Don Alton of Minden won a Humminbird fish finder. Joe Graham of Minden took home a Rubbermaid cooler and a deluxe tackle box was won by Wayne Stoughton of Gooderham.

Almost half of the 16 fish that were weighed in over the course of the derby were returned to be caught again.

Although he is not enthusiastic about fishing derbies that could have a possible impact on the already strained lake trout fishery, Stan Flemming, Northern District Manager with the Minden office of the Ministry of Natural Resources is happy with the way the derby was operated.

"We don't like to encourage overfishing or extra pressure on a natural lake trout lake," Flemming said. "By starting it late in the day and ending it early, by restricting the area and by live-release, they were able to have a minimal impact on the fishery."

Anglers travelled from as far as Sault Ste. Marie to test their skill and luck in the one-day derby.

Kim Creamer and her husband Rick Tustin, owners of the Red Umbrella Inn were pleased that the derby was such a success.

"We met a lot of nice people we've never met before," Creamer said. "We enjoyed our day."

Jon Hill of Minden Live Bait and Tackle, organizer of the event, was happy with the turnout. He needed a

field of at least 100 anglers to guarantee the \$2,500 first prize and he said he had hoped for at least 150 so he could offset expenses.

"It turned out well for a first-time derby," Hill said. "I'd like to thank all the volunteers who helped make this event the big success that it was."

Lions support community

The Minden and District Lions Club has made some significant donations to local groups over the past few weeks. Of note are the contributions to the Minden Rangers and seniors at Staunworth Court and Terrace.

Pictured above, the Rangers accept a cheque for \$1,500 which will assist them with start-up costs for this newly-formed unit of 15- to 17-year-olds. The Lions also assisted the other units with money for first aid kits, training materials and camping equipment. Shown here from the left are Lion President Daryl Moore, Rangers Aimee Mansfield, Amanda Stephenson, District Commander Faith Aggett and Leader Lisa Kowaltschuk.

Below: The Lions delivered two folding wheelchairs to the Staunworth apartments. The chairs are for use by the residents of these complexes.

Local Heroes

Three Stanhope men who recently risked their own safety to pluck two snowmobilers from the icy waters of Boshkung Lake were featured on local television. Garth Mole, Tom Gardner and Cec Penney appeared on the premier segment of CKVR's Local Heroes last Monday. The three were driving by the north end of the lake when Harold Harrison and Wes Smith were spotted floundering about 20 yards from shore. Using a rope from Penney's truck, Gardner helped Mole venture onto the ice to rescue the pair who had been in the water for almost 10 minutes. The rescuers were met at the shore by members of Stanhope Fire Department. Ironically, the firefighters are not permitted to perform ice and water rescues. Mole, who is a volunteer firefighter, would not have been allowed to assist in the rescue had he been called to the scene along with the other firefighters.

23 sledding deaths this winter

It's that time of year again. Winter begins its transformation into spring and frozen lakes and rivers start to melt, creating problems that could end up in death for some snowmobilers who don't stick to Ontario's groomed network of trails.

There have been 23 snowmobile-related deaths so far this winter in the province and the Ontario Snowmobile Safety Committee is advising all snowmobilers not to take unnecessary risks.

Forty-two people died last winter. More than half of these victims were not sober and a number of others lost their lives when their snowmobiles plunged through the ice on lakes or rivers. Most victims are males from ages 18 to 34.

"At this time of year the messages of the 'Ride Safe, Ride So-

"Snowmobiling is a tremendous winter activity. We can all enjoy it by playing safe."

ber" campaign must hit home like never before," Ontario Minister of Culture, Tourism and Recreation Anne Swarbrick said. "Snowmobiling is a tremendous winter activity. We can all enjoy it by playing safe and not taking risks. Staying off lakes and rivers is a key message we must all follow."

Toronto Maple Leafs captain Wendel Clark is a spokesperson for the "Ride Safe, Ride Sober" campaign and agrees with Minister Swarbrick. "It doesn't require a lot

of effort to have fun snowmobiling," said Mr. Clark. "It also doesn't require a great effort to ride safely. All it takes is a few seconds to remember these tips: Don't drink and ride, stick to groomed trails, pay attention, watch for other riders, and don't speed. These tips are simple but also crucial to your safety."

The province wide "Ride Safe, Ride Sober" campaign is supported by six provincial government ministries: the Ontario Federation of Snowmobile Clubs, the Ontario Provincial Police, the Addiction Research Foundation, the Federation of Ontario Cottagers Association, The Royal Life Saving Society of Canada (Ontario branch), SportSmart Canada, and three manufacturers: Arctic Cat, Bombardier Inc., and Yamaha Motor Canada Ltd.

Tri-County Bantam B series tied at two

by Jerry Grozelle

The victory celebrations that many people expected after last Tuesday's Tri-County Bantam Hockey League playoff game had to be put on hold. After a 5-0 victory in the opening game of the best-of-seven finals, many fans of the Minden Monarchs thought it would be a four-game sweep.

But Keswick wasn't ready to throw in the towel. Down two games to none, after a 2-1 overtime loss in the second game in Minden on Saturday, March 12, Keswick rebounded to win the next two games to even the series at 2-2.

The March 12 game in Minden saw Keswick get on the scoreboard first. Keswick centre Young Luu got one past Shane Flood at the 8:21 mark of the second period.

Just under seven minutes remained in the third when Jason Kasepчук scored the equalizer, from Matthew Hamilton.

The rest of the third was scoreless, forcing the game into overtime. Less than a minute into the OT period, Adam Carpenter scored the winning goal to give Minden a 2-0 series lead. Andy Madill and Hamilton assisted.

The next night the Monarchs travelled to Keswick for the third game of the series. That is a game Minden coach Scott Gartshore says he regrets playing.

For some reason, the OMHA referees who were supposed to officiate that game didn't show up. So, a couple of local referees were recruited.

The game was a fiasco that saw a total of 46 penalties called — 24 to Minden and 22 against Keswick. Gartshore was eventually kicked out of the game and would have had to sit out the next game as well, but an appeal to the OMHA ruled in his favour.

The final score of the game was 6-5 for Keswick.

Minden got on the board first with the only goal of the first period. Kasepчук was the sniper, with Sean Irvine assisting.

Keswick scored three in a row in the second to take over the lead. Jason Fattore, the Keswick captain notched a pair and Steve Collins added the single.

Before the middle frame was over, the Monarchs got one back. Carpenter did the honours, unassisted.

The home side added two more to its lead by the middle of the third. Fattore and Collins did the damage with one more each.

Carpenter scored twice in a span of 43 seconds to cut the Keswick lead to 5-4 with five minutes left in the third. Kasepчук assisted on both goals and Travis Leonard helped set up one.

Collins put Keswick in front by two with 2:15 left in the period but just eight seconds later, Paul Murray notched the fifth Minden goal.

In spite of their best efforts, the Monarchs were unable to get the equalizer as Keswick held on for the 6-5 win.

Keswick rebounded with two wins after the Minden Monarchs won the first two games

The Monarchs had some luck back on home ice last Tuesday night. Unfortunately for them, most of it was bad. They played well enough to win, in fact they doubled the opposition in shots on net, 53 in total. But only one got by Keswick netminder Steve White. The Keswick goalie must have had a horseshoe tucked away where it wouldn't be seen because when he was down and out, the puck always seemed

to dribble by the open net or carom off the goalpost.

Neither team was able to put a point on the scoreboard in the opening frame.

The visitors drew first blood two and a half minutes into the second with a goal by Shawn Black. Then, with 4:50 left Fattore let a floater go from the blueline. Flood got a piece of it, but not enough to keep it from bulging the twine.

Things looked brighter for the home

side late in the period when Curtis Barry scored for the Monarchs with 10 seconds left in the frame. Kasepчук drew an assist on that one.

In spite of numerous Minden chances in the third, Keswick was able to hang on for the 2-1 win.

Keswick's comeback forced at least two more games. If either team won both games this past weekend, the series will be over as you read this. If they won one each, the deciding game will be played in Minden tomorrow night (Tuesday) at 8:00 p.m.

Goal-mouth scramble: Minden's Travis Leonard (5) tries to get some lumber on the rebound during last Tuesday's Bantam Tri-County playoff game against Keswick. The Minden Monarchs took a 2-0 series lead only to have Keswick come back with two wins in a row to tie the series. The visitors edged Minden 2-1 in this game.

Home, Westside to tangle for hockey title

Best-of-three series starts tonight

by Jerry Grozelle

The Minden Men's Recreational Hockey championship is down to a best-of-three series with the winner taking it all.

The two teams in the running for the league's top honours are Home Hardware and Westside Jug City.

Home finished at the top of the round robin standings three points up on both Westside and Sid Stamp Fuels. Westside advanced to the championship by virtue of a point differential.

The final three games of the round

robin were played last Monday night.

HARTWICK 4, WESTSIDE 4

The night's opening game ended in a 4-4 draw between Westside and Hartwick Construction.

Hartwick took the lead three times in the first period, but each time Westside tied it up. At the end of the first, the score was deadlocked at 3-3.

Scott Hamilton drew first blood for Hartwick with an unassisted marker.

Dave Pettes replied for Westside, from Eldon Bull and Tom Haley.

Hartwick went ahead again with a

goal by Kim Colliss, from Hamilton.

Pettes and Haley combined to set up Bull for the Westside equalizer.

Hamilton's second unassisted goal of the game put Hartwick in front 3-2 but Bull notched his second of the game for Westside to knot the game at 3-3. Pettes and Mike Keaney assisted on Bull's second goal.

Westside took the lead for the first time in the second half. Gary Nelson put the Jug City crew in front on a set-up

Haliburton County group to host "Women On Snow"

by Jerry Grozelle

The 1993-94 snowmobiling season may be drawing to a close but one group is in the planning stages for a special weekend next February.

A group of local women snowmobile enthusiasts have been given the task of organizing the next three Women On Snow events.

The Women on Snow concept was developed in the

United States and the first two events were held south of the border. For the past four years the Women On snow runs have been held on Canadian snow (and ice), based in Sudbury.

A local group, with the help

of the Haliburton County Snowmobile Association, made a bid to host the event. The group was advised recently that it had been successful and that the event will be held in the Haliburton Highlands in 1995, '96 and '97.

The base of operations will be the PineStone Inn and will feature a three-day weekend of snowmobiling, entertainment and camaraderie.

Traditionally, between 100 and 150 women have taken part each year.

"It's a way of promoting snowmobiling for women," said Joyce Wright, Vice-President of the organizing committee. Wright said that traditionally, the women have stayed behind, but this event is for women only.

"We do everything from unloading the machines to changing spark plugs and that kind of thing," Wright said. "It just gives them (the participants) a bit of confidence in themselves. And, of course it's a lot of fun."

The participants are divided into groups of 10 to 12 with a leader and a sweep in each group. The leader's position is self-explanatory and the sweep follows along behind, making sure that nobody strays from the group and helps out in case of a breakdown.

"We usually travel around 200 miles over the weekend," Wright said.

The 1995 Women On Snow event will be held the third weekend of February, which will be the 17th to 19th, inclusive.

Women from across the province and into the United States make the annual trek to take part.

One of the main attractions of the weekend event is the all-inclusive price, which includes accommodation, food, gas and entertainment.

The weekend agenda always includes a banquet on the Saturday evening, followed by entertainment. The entertainment for the 1995 event is yet to be decided but in the past, there has been an Elvis impersonator and, at the 1994 event, a comedian/magician from Yuk Yuk's was featured.

The executive of the organizing committee includes President Marj Kennedy, V-P Joyce Wright, Secretary Laura Johnson and Treasurer Wanda Evans.

Wright says the group really appreciates the support of the Haliburton County Snowmobile Association, which provided money to get the proposal submitted and advanced the start-up capital to get the event off the ground.

Any funds that are left after expenses are paid are usually channelled into a children's charity or something that benefits children.

"That could even include something like the Minden Hospital Fund," Wright said. "Because children would benefit from that."

"They have also run a Snow-A-Rama at the same time. This past year in Sudbury, they raised over \$7,000 for Easter Seals," she added.

If the success of the event can be gauged by the number of volunteers ready to help out, Haliburton is destined to be the best yet. To date, 27 women have committed their time, energy and talents to the 1995 version of Women On Snow.

Back from North Bay: Four representatives from the Minden Skating Club took part in competitions in North Bay recently. They are: (l to r) Daniel Vanderlip, Tristan Pawluch, Julie Vanderlip and Louise Howell.

Vanderlip & Pawluch second in dance competition at North Bay

Julie Vanderlip and Tristan Pawluch came back from the Make It A Date To Skate competition in North Bay with a second place in the junior bronze dance event.

They were two of the four Minden Skating Club members who competed in five events.

Tristan Pawluch finished fourth in the juvenile men's event.

Julie Vanderlip was ninth in the juvenile ladies division.

Louise Howell placed seventh in pre-novice ladies division.

Julie Vanderlip was ninth in the juvenile ladies class.

Daniel Vanderlip was eleventh in the pre-junior men's division.

from Dave Rodgers.

Before the end of the game, Hamilton rounded out his hat trick for the 4-4 draw. John Ballentyne assisted on the last goal of the game for Hartwick.

TIMES 6, KDD 4

The Times may not have had a great season, but the team finished on a winning note, skating to a 6-4 win over Kountry Double D.

The Times came out flying, scoring four unanswered goals in the first half.

Joel Cox notched the first marker, from Harold Cowen and Dereck Barnett. Then, Lawrence Lougheed netted three in a row for the 4-0 advantage. Paul Walker and Doug Schell assisted on two each and Andy Campbell helped set up one.

KDD cut the Times' lead in half in the early stages of the second half with a pair of goals by Ivan Ingram. Corey Walker set up the first while Jeff Howe and Jason Stamp assisted on the other.

Not to be denied, The Times replied with two of their own to regain a four-goal advantage. Campbell (unassisted) and Walker (from Lougheed and Barnett) were the marksmen.

KDD got the last two goals of the game. Corey Walker notched one and Ingram netted his third of the game. Howe and Stamp picked up one assist each.

HOME 4, STAMP 2

Home Hardware clinched first place in the round robin and a berth in the championship finals by doubling Sid Stamp Fuels 4-2 in the night's last game.

Two unanswered goals in the second half put the game away for the Home team.

At the end of the first half the score was deadlocked at 2-2. Home notched the first two, with two replies from Stamp.

Barry Shaw and Trini Elias were the first-period snipers for Home. Boomer Stamp set up the first goal with Dave Dollo and Barry Shaw assisting on the second.

Glen Hall and Craig Philip replied for Stamp. Alec Little got the helper on Hall's goal with Craig Crowe and Gary Harrison assisting on the Philips marker.

Boomer Stamp scored the game winner, from Doug Allison in the second period. Allison added an insurance goal for the Home side before the game was over. Dollo assisted.

The championship series gets under way tonight (Monday) at 8:00 p.m. at the Minden arena.

Boys and Girls Club offers sports and rec. program at Ridgewood

The Lindsay Boys and Girls club and the Coboconk Royal Canadian Legion Branch 519 have teamed up to bring the youth of Coboconk a sports and recreation program.

Boys and girls aged six to 14 are invited to participate in a drop-in sports and recreation program from 6:30 to 8:30 on Thursday evenings at Ridgewood Public School. The program run through to June 30 on Thursday evenings. It is free to all participants.

Parents are asked to accompany their child or children on their first night to sign a registration form and to meet the staff.

A total of 57 youngsters took part on the first evening of the program, almost half of them girls, to be a part of the fun and

games.

The older children enjoyed basketball while the younger kids tried their hands at Nerf soccer and floor hockey.

The success of the program to date has been very encouraging to the Boys and Girls club and it proves there is a need and a desire on the part of the area's youth for such a program in the community.

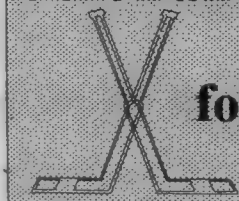

Club officials credit Bexley Reeve Dean Spry, Legion officials, Ridge-

wood Principal Brian Hough and the school's custodial staff with helping to get the program off the ground.

Coboconk and area youngsters still have more than three months to become involved with the Boys and Girls Club sports and recreation activities.

For further information on this program, contact Heather Stephens at the Lindsay Boys and Girls Club. The telephone number is 324-4493.

Straw & Stone 'Spiel

It was a far cry from the curling seen recently on TV, as the outfits on the right indicate, but the annual Straw and Stone mixed bonspiel was a popular event none-the-less. 16 teams were entered in the event at the Minden Curling Club March 5. Each team played three games with the total points determining the winner.

To add a note of levity to the spring 'spiel, teams were requested to wear costumes for the final game. Clowning around, above, were, from the right, Bill, Herb and Laurie Ann Roodenburg and Carol Puffer. The winners of the event, featured below, included, from the left, skip Dwight Thomas, lead Jennifer Murdoch, vice Pauline Franzen and second Dan Garbutt.

Deer herd weathers the winter; dogs still a concern

Ministry of Natural Resources officials report that the deer herd didn't suffer any major setbacks over the past winter in spite of the cold weather and the ice storm that hit in late January.

"We still feel that the deer in our area didn't have too much snow to cope with," said Stan Flemming, Northern Region Manager of the Minden Ministry of Natural Resources. "We never did end up with much more than 50 centimetres of snow. We were concerned a while ago when we had that crust, but we were out in the deer yard and they had a good network of trails for moving around. And then we got some really mild weather and right now, they're moving pretty freely. So, we feel that they've fared reasonably well in this area."

Flemming also points out that at this time of year, deer are especially vulnerable to predation and being chased by domestic dogs.

"This is the time of year when the deer don't need that extra stress of being chased by a dog," he said. "The does are carrying fawns and they are at their weakest point and that extra stress may

result in does aborting fawns."

The change in metabolism and feeding habits over the winter leave deer in a weakened state this time of year and they can't stand up to the stress of fleeing from stray dogs. Although the dogs may not bring the deer down, it could still succumb to the rigors of trying to elude its pursuers.

The MNR is taking the problem of domestic dogs chasing deer seriously. Fines to the owners of dogs found harassing deer are \$155 for the first offense. Repeat offenders can face fines of up to \$25,000. In addition, the Game and Fish Act authorizes a Conservation Officer to destroy any dog found chasing a deer.

Deer remain vulnerable until the fawns are born, usually in late April to early May.

All dogs are inclined to chase deer if the opportunity presents itself. Even the most docile of family pets will take up the chase, especially if they are running in packs of two or more.

If you care about wildlife and your pet, don't allow your dog to roam untended.

Policy flip angers OFAH

A decision by Natural Resources Minister Howard Hampton to break his word regarding hunting and motorized access restrictions to 166,000 acres of public land in Ontario has raised the ire of the Ontario Federation of Anglers and Hunters.

Hampton promised the OFAH at its annual conference in Windsor last month that the 17 proposed "Keep It Wild" spaces would not include wide-ranging bans.

He made a similar comment on the OFAH weekly TV show "The Angler And Hunter" recently.

Addressing 350 people at the OFAH conference, Hampton said: "We are not proposing in every one of the sites to eliminate hunting or to eliminate the use of boats and motors. There may be a couple though."

A subsequent formal announcement makes it clear, however, that the province intends otherwise. More than 90 per cent is pegged for "no hunting" zones. In addition, motorized access and small boat motors, essential for fishing and

access, will be banned in the same areas.

"A 60-day public consultation period will be conducted in each of the 17 areas, plus Toronto. But we're doubtful that the minister will be listening," said OFAH President Terry Smeltzer. "Hampton has already stated what his plans are. I would love to be wrong, but I'll bet he doesn't make any substantial changes based on public input."

"If these areas are so beautiful and valuable and they deserve special status, and if hunting and fishing have occurred there for generations, hunting and fishing obviously have had no negative impact. Why suddenly ban them?"

Morgan pointed out that the ban would, in many places, stop generations-old hunting and fishing traditions that have been passed on from family to family.

"What Mr. Hampton proposes is to chip away at a cornerstone of our natural heritage," Morgan said. "I think he'll find that thousands of people simply won't accept this. Why should they? It doesn't make sense on any level."

Bill Kulas donates part of commission to health care.

Minden real estate representative Bill Kulas has announced he will contribute a portion of the commission from each sale to the Minden Hospital building fund.

"The hospital is an integral part of this community," Kulas said. "It serves the needs of the growing number of young families we have in the Minden area and is a reassuring presence for our seniors as well." He noted that Minden is fortunate to have a large amount of senior housing, with a new 40 unit complex just announced several weeks ago. He also pointed out there is a large number of seasonal residents who rely on the health care services provided in Minden. "All these people look to the hospital as an important part of the health care services in our community. I agree with them and want to see it continued here."

This is not the first time Bill has donated a portion of his commissions to area worthy causes. When the Minden and Stanhope Fire Departments launched a fund-raising drive to purchase "Jaws of Life", he introduced a similar program to support those efforts.

Bill's interest in the hospital and health care over the past several years included a three year term as a representative on the

St. Joseph's Hospital Board of Directors, chairman of the committee examining health care services in the community and Minden chairman of the fund-raising drive for the expansion of the Haliburton County Chronic Care addition.

Bill invites anyone interested in buying, selling or investing to give him a call. He can help you with your real estate needs, and for every successful transaction, a portion of his commission will be donated to the hospital building fund. (Some conditions do apply. Bill will be happy to provide you with all the details.)

Bill is a member of the successful sales team at Dale Austin Real Estate, "Your Key to the Highlands". He can be reached at their Main Street office, just off Highway 35, or by calling (705) 286-4441 at the office or (705) 286-1372 at home.

Bill reminds prospective sellers that this is an ideal time to put their property on the market.

BILL KULAS is a member of the Haliburton District Real Estate Board and twice winner of the Board's MLS award. He is also the winner of the President's Sales Achievement Award.

Resident poets create Irish rhymes

It is Saturday again. We had one table of cards in the auditorium. Sue Crego works so hard to get more out to play. Sue, we do thank you for your efforts.

Estella Burch came Sunday evening to read more of the book we were reading. We are happy she is well and able to come again. In the evening, chapel was held by Rev. John Burgess and June Mason played the organ. We truly thank John and June.

Monday, March 7, we had an afternoon of composing a poem. We all said

something about the theme, which was Ireland, and put it together so it rhymed. We had fun doing it.

Tuesday, March 8, Pastor Fast conducted the chapel service which was a memorial service for Mary Burgess, wife of Rev. John Burgess. I was unable to attend, but I understand many of the residents and friends from Rev. Burgess' charges were present. It was a beautiful service and thanks Pastor Fast, on behalf of all of us.

There were crafts in the

Senior League

by Winnifred Barnum

afternoon guided by Margaret O'Shaughnessy and we welcome back Corinne Arsenault from a happy holiday in California for help with cards and games. We thank Pearl Cowen for taking over for Corinne during her absence.

Thursday was tea party as usual. The Martha group of Minden United Church brought a delicious tea.

These ladies were Bea

Berry, Mary Cox, Bertha Hughes, Annie Kernohan, Elva Deacon, Lor-

raine King, Edna Taylor, Maxine Snell, Mary Parcell, Wilma Gemmell and Pat Scott. Elva Deacon played beautiful piano music during the tea party. We heartily thank everyone who gave us a happy tea party.

Edith Brittain is gradually improving after a fall in her room. Beatrice Tustin had the misfortune to have a fall. We hope they quickly improve.

Ferna Weldon celebrated

her birthday on March 11. Happy birthday, Fern.

Friday was happy hour in the auditorium. Entertainment was provided by Al Blanchard, Bill Payne, Mike Biagi, Frank Faulkner and Doris. The volunteers were Pearl Cowen, Mary Guillemine and Bonnie Fullan.

Today we had special visitors all day. Amanda, the daughter of Phyllis Hiltz-Bontje, and Bill Payne's granddaughter from Cornwall. Thanks to everyone who made Friday afternoon a pleasant one.

Police lay second charge in welfare sweep

Minden OPP have charged Dean Fyfe, 22, of Haliburton, with possession of stolen property over \$1,000.

Fyfe had in his possession a Yamaha Big Bear all terrain vehicle which had been stolen from a cottage on Salmon Lake in December of 1993. He will appear in Lindsay court on April 20 for a first appearance.

BREAK-IN

On March 8 at approximately 5 a.m., the alarm was activated at Haliburton IGA. Minden officers

responded and found the front window of the store smashed in and approximately \$3,000 worth of cigarettes stolen.

While investigating this break and enter, the officers were informed that the front door at Glen Sharpley Sports was also smashed. The officer attended and found that a large quantity of sports clothing, watches and sunglasses were stolen.

Senior Constable Davis is investigating.

WELFARE FRAUD

The ongoing investigation into

abuse of the welfare system has resulted in another charge against a Haliburton man.

Kevin Mosely, 35, of Sunnyside Street in Haliburton has been charged with defrauding the Ministry of Community and Social Services of \$67,743.98. He is to appear in Provincial Court, Criminal Division in Minden on April 27.

This is the second charge laid since Detective Constable Al Bibby began to investigate suspected welfare abuses in co-operation with the ministry.

NATURAL RESOURCES AND YOU WE WANT YOUR INPUT

Have you ever wondered how decisions get made about Ontario's **Crown lands** and natural resources?

Are you interested in how areas of **Crown land** are designated for forestry, provincial parks and other uses?

Howard Hampton, Ontario's Minister of Natural Resources, wants to improve the way planning decisions are made about the use and management of **Crown land** and natural resources.

If you are interested in shaping the approach to how decisions are made regarding Ontario's natural resources, you may be interested in attending a meeting which will focus on ideas presented in the recently released Discussion paper "Planning Together: Our Resources, Our Future." The meeting will serve as an opportunity for you to provide comments and suggestions for improvements.

If you are interested in attending a meeting or require additional copies of the discussion paper, please call Barb Boland at the Minden Area Office (705) 286-1521.

Please submit your comments on ideas and options in the discussion paper by **FRIDAY, APRIL 8, 1994** to the following address:

The Corporation of the County of Haliburton requires a DEPUTY-CLERK/ HUMAN RESOURCES MANAGER

Filling a new position in a reorganized administrative structure, the successful candidate will be responsible for creating policies and procedures with respect to personnel and for assisting Council, the Clerk-Treasurer and the department heads with all aspects of the management/union relationships within the Corporation. As Deputy-Clerk, the successful candidate will also directly assist the Clerk-Treasurer in all aspects of his duties.

Qualifications

- Post-secondary training and experience in human resource management; a professional designation or diploma is recommended.
- Experience in a union environment, especially in negotiations and contract interpretation, is a key job requirement.
- AMCT designation, experience in the Clerk's department of a municipality and computer expertise would all be assets to a candidate.

Qualified candidates are invited to submit a letter of application and resume to the undersigned, by no later than 4:30 pm, March 25, 1994.

Terry S. Noble, BA
Clerk-Treasurer
County of Haliburton
Box 399,
Minden, Ontario
K0M 2K0

All applicants are thanked for their interest, but only those selected for an interview will receive further notice.

In accordance with the Municipal Freedom of Information and Privacy legislation, the information concerning this employment opportunity is gathered pursuant to the Municipal Act, RSO 1990, and will only be used to select a candidate.

"His and Hers" bowling competitions were held Sunday, March 13 at Carnarvon Lanes with the winners Pat Scadden and Betty Lockhart with plus 179; Jack Gregory and Marie Thompson plus 89, Dan Mills and Eileen Minors with plus 79. High single of the day went to Jim Hundle with 310. There were members present from all the leagues in Carnarvon Lanes.

Club 35 euchre winners from March 14 included Jean Randell with most lone hands, Helen Lee and Bob Lewis. The 50-50 draw was won by Steve Fortais and others were Olive Daniels, Norm Lee and Jean Randell. Special awards went to Olive Daniels and Steve Fortais. The next Wheels to Meals dinner will be held at Club 35 on March 29.

Mr and Mrs Bert Chamberlain, Adam and Kristen from Scarborough had a great visit with Irene Moore recently.

Betty and Gerald Hicks at-

tended a hockey tournament in London while visiting with family in Oshawa. The Oshawa team were the winners.

Robert Burke, Karen and Rodney from northern Ontario visited recently with Margaret Burke.

Miss Candice Peacock from London and Miss Tanya Peacock of Minden had a holiday with grandma Eleanor Young.

Winners for the Minden Legion euchre games held March 10 included Helen Lee and Ralph Schroter with most lone hands, Marg McAfee and Jim Bradbury with high scores, Helen Skelding, V. Edgson, Bill Menard, Todd Edgson, Helen Lee and Murray MacKinnon.

Ruth Black had a nice visit with her sister Gladys in Toronto and went on to see their uncle Amos Miscio in a Hamilton hospital.

Brenda Bradley enjoyed

the scenery in our county when she tried cross-country skiing for the first time with her nephew Chris Craven.

Mr and Mrs Lee Donaldson, Aaron and Andi from Wilberforce had a visit with Bessie Burk last Sunday.

All good wishes to these people who are on the sick list at present: Bob Cook, Anne Hurtt, Irene Fuhr, Mary Wilson, Ruth Coalpits, Melanie Legge, Dorothy Bowens, Ruth Rich and Joanne Camelon and anyone else we missed.

The museum is in need of a costume for the School Teacher who will be in the school house. If anyone has an old-fashioned long black skirt and white blouse which they are willing to donate, please call 286-1674.

Sincere sympathy to the families and friends of the late Jeneva McKenzie and Mae Reynolds who passed away recently.

Stanhope Seniors Club held a St. Patrick's Day luncheon on Monday March 14 at noon with traditional corned beef and cabbage and green dessert. When everything was cleared away, the Scottish Dancers performed with Jock Mavor describing details of the costumes and Ted Carson giving a short history of the dances. As a finale, the dancers each brought a partner from the audience to do one dance. A great meal and good fun for all.

St. Paul's weekly euchre game winners for March 14 were, for most lone hands, Jack Chilton while others included Elli Langpohl, Verna McDonald and Marian Ingram. The draw went to lucky Verna. Please note there will be no euchre games March 28 but there will on March 21 at 1:30.

Legion seniors group held their weekly euchre games on Tuesday, March 15 with winners for the day being Marg

McAfee with most lone hands, Iris Taylor, Jack Chilton and Elli Langpohl.

Euchre game winners at Lochlin Centre on March 15 were Bruce O'Brien with most lone hands, Tammy Saunders, Chic Minaker, Marg Robinson and Orval Francis. The next games at Lochlin will be held March 29 at 7:30 p.m.

Last of the Lenten Lunches will be held March 23 with video and lunch.

Noticed some changes coming along downtown - the old IGA will soon be filled with offices, and a new store full of new and used children's clothes beside Jadek's. They tell us ten percent of their sales go to Minden Food Bank.

County Town Museum members will meet Wednesday, March 23 at 10 a.m. in the Library/Cultural Centre Common Room.

CARDS OF THANKS

Sincere thanks to all my friends and relatives for all your heart-felt wishes during my recent stay in Lindsay hospital. Your cards, calls and visits were greatly appreciated and will not be forgotten.
Ron Hopkins.

Sincere thanks to everyone who attended, send cards or good wishes for my 85th birthday. Special thanks to John and Laura Whyte of Lindsay who kindly donated the use of their home for the party of almost 40 people on February 19.
Bea Taylor.

AT REST

REYNOLDS, Mary (Mae) -

Passed away peacefully at home surrounded by her family on Wednesday, March 16, 1994. Mae Priestley in her 77th year was the beloved wife of the late Jim Reynolds, loving mother of Barbara Laughlan of Markham, Margaret of Vancouver, Wendy LeBlanc of Vancouver and Bob of Lindsay. Lovingly remembered by nine grandchildren, Edward, Greg, Heather, Susan, Jennifer, Stephen, Ginette, Kristin and Brandon and three great-grandchildren Lindsay, Cameron and Keithen. Dear sister of Betty and Charles, both predeceased.

Mrs Reynolds rested at the Stoddart Funeral Home, 24 Mill Street, Lindsay on Sunday, March 20 from 2 p.m. until time of complete funeral service at 3 p.m. Interment later at Union Cemetery, Barrie. In lieu of flowers, memorial donations to the Canadian Cancer Society would be appreciated by the family.

Thank you to the VON Nurses for their compassionate care and support. A special thank you to VON Helen and Sharon of Oxy-Med.

IN MEMORIAM

BARRAS: In loving memory of Breanna who left us March 26, 1992.
There will always be a heart-ache
And often a silent tear,
But always precious memories
Of the days when you were here.
Forever loved and sadly missed
Grannie & Grampie, Jane & Daddy.

COOPER, Genevieve - Died December 30, 1991.
STAMP, Cleveland - Died March 25, 1993.
In loving memory of a dear sister and brother.
God saw you getting tired,
When a cure was not to be
So He closed His arms around them
And whispered "Come to Me."
Your golden heart stopped beating
Your gentle hands at rest
God broke our hearts to prove to us
He only takes the best.
In tears we saw you sinking,
We watched you fade away,
Our hearts were broken,
You fought so hard to stay.
But when we saw you sleeping,
So peaceful, free from pain,
We could not wish you back
To suffer that again.
God knows how much we miss them,
Never shall their memory fade,
Loving thoughts shall ever wander
To the spot where they lay.
Sadly missed and ever in our hearts,
Hazel, Brenda, Shirley, Glen & Dennis.

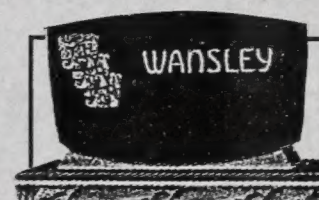

STAMP, Cleveland - In loving memory of a dear Dad, Stepfather, father-in-law and grandfather who left us on March 25, 1993.
The time has come for us all to say
It's been a year and we miss you each day.
Our blessings are with you now and forever,
Each tear that has been shed
We will always remember
You were taken from us and we send a prayer,
God Bless you above, as we do still care.
Always remembered in our hearts and sadly missed by his daughter JoAnne, stepchildren Terri and John, daughter-in-law Stacey and granddaughter Courtney.

IN MEMORIAM

KERNOHAN: Alex - Forever in our thoughts.
We love you Dad and miss you so
Your time it came, you had to go.
A single day, it goes not by
A thought, a tear, a silent cry.
A loving Husband, Father, Friend
Your life to us, no did not end.
You left us memories we hold dear
You're in our hearts, you're always near.
You gave us strength and so much love,
We know you're watching from above.
Always remembered and forever missed,
Sharon, Susie, Scott, Lorie and Brian.

IN MEMORIAM

KERNOHAN: In loving memory of a dear son and cousin, Alex, who passed away March 21, 1993.
Oh, what we would give to clasp your hand;
Your dear, kind face to see;
Your loving smile, your welcome voice,
That meant so much to me.
No one knows the silent heart-ache,
Only those who have such can tell,
Of the grief that is borne in silence
For the one we loved so well.
Sadly missed but always in our thoughts,
Mom and Joan.
